Created by Swiss studio Big Game, the new **AMICI** range of cutlery is about warm, spontaneous conviviality – something the name, which means “friends” in Italian, suggests. Amici – the latest edition to Alessi’s already extensive collection of designer cutlery, which began with Achille Castiglioni’s *Dry* in 1982 – is made up of 13 pieces in 18/10 shiny stainless steel.

Il nuovo servizio di posate **Amici**, creato dallo studio svizzero Big Game, invita – già dal nome – alla più calda e spontanea convivialità. Amici – che amplia la già vasta collezione di Servizi di posate d'autore di casa Alessi avviata con *Dry* di Achille Castiglioni nel 1982 – si compone di 13 pezzi in acciaio inossidabile 18/10 lucido.

The traditional Japanese technique of burning wood, known as Shou Sugi Ban or Yakisugi, is the inspiration for a line of stunning, craquelé-effect porcelain stoneware tiles with wood finish. The **KASAI** collection comes in three colours (night black, paper white and smoke grey), combined with a range of decorations where the Japanese

Refined, elegant and sophisticated, just like the precious contents it secretly guards. **GIOIA CREMA** is an armoured jewellery safe in cream-coloured bird’s eye maple with a shiny finish and internal safe. The meticulous attention to detail is impressive, with accessories in 24-carat gold-plated brass.

Raffinato, elegante, sofisticato, come il contenuto che si appresta segretamente a custodire. **Gioia Crema** è un cassetto portagioielli blindato in acero occhiolato crema con finitura lucida e cassaforte interna. Ricercato perfino nei dettagli, vanta accessori in ottone placcato oro 24 carati.
