DESIGN INSPIRATIONS

ALINE | STUDIO VIGANÒ | NUBE

The modular sofa has a metal and multi-layered wooden base with braided elastic belts. Padding in shape-retaining polyurethane foam with differentiated density and daunen back cushions. The oven painted metal legs are available in silver, black, white, black nickel and auburn.

BRAC | NATHALIE DU PASQUIER | MUTINA

BRAC is a design element which is the natural evolution of BRIC, the artistic project specifically developed by Nathalie Du Pasquier for the MUT - Mutina For Art exhibition space. The artist has elaborated it as a module to be arranged vertically or horizontally, generating unexpected interplays of light and shadow within any environment. The BRAC collection has a range of 5 colours: clay, with a natural matte surface, white, sage, brown and black with a bright glazed finish.

FORZIERE ROSSO | AGRESTI

An armored jewelry chest in glossy red briar, with an internal safe in the same color. It comes with pull-out necklace bars and accessories in 24k gold-plated brass.
